

**Sterile Chemotherapy Drug Training for New Mexico Pharmacy**  
**Provided by The New Mexico Society of Health-System Pharmacists**

**A 7-Hour ACPE and New Mexico Board of Pharmacy approved Chemotherapy Drug Training Program consisting of a self-instructional training manual and a separate hands-on process validating session for pharmacists and technicians**

In order to receive a certificate from NMSHP indicating that you have successfully completed a New Mexico Board of Pharmacy sterile chemotherapy training program you will need to complete the following:

- 1) Purchase the following book from the ASHP website:  
 "Safe Handling of Hazardous Drugs Video Training Program – Workbook"  
**[http://www.ashp.org/s\\_ashp/sec\\_detail.asp?CID=1473&DID=5059](http://www.ashp.org/s_ashp/sec_detail.asp?CID=1473&DID=5059)**
  - a. Enter the code upon check-out: **NMSHPSAVE5**
- 2) Following the instructions in the book to receive your ACPE credit from ASHP.
- 3) Submit a copy of your ACPE certificate along with this form and payment to NMSHP in order to complete the hands-on process validation.
